

How to get there – Information about the Erezsässhütte & Schifer Berghaus

Dear guests and friends

To make your journey as pleasant as possible, we have compiled the most important tips and information here.

We are located in the middle of the Davos Klosters ski area and therefore cannot be reached by car! The two houses are 150 metres apart.

Ski in, ski out!

Unless otherwise agreed with us (T&S Entertainment AG, franzl.ch), the following information applies.

Arrival by car:

From anywhere in Switzerland, take the motorway exit at Landquart. Then drive through the beautiful Prättigau valley towards Davos/Klosters.

After Klosters: Please note: do not forget to turn right, otherwise you will go through the tunnel to Davos.

Once you arrive in Klosters, look for a car park. We recommend the "Alte Eisbahn" car parks or the car parks at the Kulturschuppen. Then please contact the taxi company Bardill / Gotschna Taxi on +41 81 420 20 20, which will organise transport to the Berghaus Schifer (for a fee).

We are happy to help with the organisation/arrival.

**Please note: You are not allowed to drive yourself. This is strictly prohibited!!!
For insurance reasons, we are also not permitted to transport passengers.**

Arrival by train:

Arrival at Klosters Platz railway station. Please then contact the taxi company Bardill / Gotschna Taxi on tel. no. +41 81 420 20 20, which will organise transport (for a fee) to the Berghaus Schifer.

We are happy to help with the organisation/arrival.

Please negotiate taxi fares and prices with the taxi company yourself; this also applies to transport/departure.

There are no reserved parking spaces for mountain hotels in Klosters and Davos!

For larger groups, we recommend making an appointment with the taxi company in advance. Please pay taxi fares (invoice) immediately to the taxi driver!

For guests of the Erezsässhütte who have a lot of luggage, it is advisable to contact us on the way up so that we can pick you up from the Schifer.

Ski school:

We recommend the Saas ski school www.skischulesaas-klosters.ch or the "red" Klosters ski school www.sssk.ch. We ask you to make your own arrangements here, as we are unable to assess skiing ability and times ourselves.

Please note: We are not the right place for beginner skiers. Please discuss the options with the ski schools.
